Notes:

- **ADS 2016 Update 1** is a significant technology update for both SIPro & PIPro (new features released in ADS 2016). Users of SIPro & PIPro are encouraged to download and install both *ADS 2016.01* and *ADS 2016 Update 1*. More details are available on the ADS 2016 Update 1 software download page.
- The minimum license version required to run this software is 3.2. If you are a supported customer, login to the Keysight Software Manager to obtain your updated licenses before installation. For other licensing tasks, see "How to Obtain a License".
- Windows 10 support for ADS 2016.01 requires the Keysight EEsof EDA 2017.01 License Server Software.
